Borderline Romance Between Work and Personal Life

Partition

Team TEA COZY (Story: Ha-in, Drawing: U-sa)

The oldest memories I have of summer are of the waves of the ocean.

Then, mother and father please only for 2 weeks.
Okay, go on.
Are you staying well before the baby?

Mother, we talked about it, he doesn't want a third.
Good heavens, wow?

Bu-bara. Although Yu-ji is the eldest, you still have Yu-na to think of.
You will be dependant for your own life and be proud of yourself. I don't think you should do this.
But, mother...
Please understand, mother is trying to watch out for you.
It is very difficult to kill especially when it is over.
...Yes. I know...

And the mother's smile which reminded me of the sea.

One summer night the sound of humming did disappear

You have to be a good girl

You always be quiet

Don't make it difficult for the adults.

Have to do better than the other kids, everything

You can't be a girl

Otherwise, if you don't mom's..

family will be sad.

It was not difficult to do the homework.

What the secondary poverty point on the SAT? I mean, studied Government textbooks. What is what that face?

I studied more than anyone

Exercised more than others

Experience more than others

I should have said less than everyone else.

It's been 2 months since I became an adult and become a respectable member of society.

The development team room is good. I work comfortable here.

I don't have to be nervous or be careful with my words.

eat cute~

But there are things that pervent me from doing my work beyond that door...

There are so many cute and beautiful things in the world, I have to ignore!!!!

I need to hide...

I try to live without my femininity. It doesn't suit me at all.

Since I was young, I liked small, cute, and beautiful things.

So I work a lot. I support the company's development team, which creates women-related products....

※ Impression Image (2)

This company is full of cute and feminine things, more then I can imagine. My 25 years of surpressing and hard work are crumbling!!!
